Radio TOK FM - The First Information Radio is an opinion-forming, "spoken" radio in which the word is about 90% of the antenna program. It broadcasts in 23 cities in Poland, as well as on the Internet, where you can listen to live radio streaming and podcasts of all programs. Radio TOK FM podcasts are also available in the TOK FM mobile application for Android, iOS and Windows Phone.

Radio TOK FM takes interesting and bold topics, and its informative character is underlined by the slogan "TOK FM - listen to understand". The FM stream listens daily about 500 thousand people.

**21-22 April 2018, Lodz, MANUFAKTURA - XVIII Festival of Science, Technology and Art in Lodz (for Lodz citizens) <http://www.festiwal.lodz.pl/>**
